Subject: Gold King Mine Response - EPA hotline for citizen's to call with questions about the response or requesting sampling of their private wells.

The agency has established a hotline for this response. If you should get any calls inquiring about the response, please ask the caller to contact the hotline at 844-607-9700.

If you should receive any calls from citizens requesting sampling of wells, please have them contact me at 469-766-3398 I will forward their request to the Incident Commander.
